#### **'She Loves You'**

This was one of the Beatles' first big hits; written by John Lennon and Paul McCartney. Written in 1963 it was the Beatles biggest ever hit, and one of 5 songs of theirs which were top sellers all at the same time in 1964

A very atmospheric song written by Paul, in 1967 describing a street in Liverpool. The video that goes with the recording of them singing it is shot partly in Stratford, East London
